

Recommendation for Aqib Amin

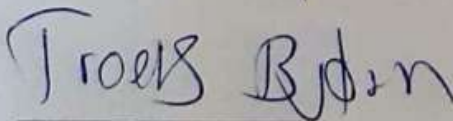

In the period 06-05-2021 to expected 19-11-2022, Aqib has been working at our cow farm as practican. Our farm has 350 cows and Aqibs main responsibilities is milking and feeding small cows.

We have been very satisfied with Aqibs performance, he is a good and stable worker, who is never sick or give any complaints. Aqib always comes to work with a smile on his face and I herby give him my full recommendation, as a farm worker!

Aqibs responsibilities on our farm includes:

- Milking in Delaval 28 machine rotator parlor
- Milking new cows and making colostrum for Cool Quick system
- Giving new cows colostrum with Cool Quick system
- Seperation cows for insemination and pragnancy check
- Giving milk to small cows
- Checking small cows for problems and giving medicin
